RAO SAHIB DR. N. KUNJAN PILLAI (*Chief Secretary to Government*): The Committee themselves have drawn up a programme according to which they propose to approach the Madras Government and the Cochin Government as they approached the Travancore Government. As that is in the Committee's programme, Government thought it better to leave it to the Committee to approach those Governments.

MR. A. S. DAMODARAN ASAN (*Mavelikara*): Is it due to the incapacity of the Government to draw up a better programme that they thought that the non-official Committee may be asked to work up their own programme?

RAO SAHIB DR. N. KUNJAN PILLAI (*Chief Secretary to Government*): The Government did not consider the question of drawing up a programme. The Committee, before they waited on the Dewan of Travancore, drew up a programme. According to that programme, they were to approach the Travancore Government as well as the Madras and the Cochin Governments. Accordingly they waited upon the Dewan of Travancore and Government thought that it would be advantageous for them to approach the Madras and Cochin Governments also.

MR. A. S. DAMODARAN ASAN (*Mavelikara*): May I know from the member the reasons for the delay in passing any order on the report of the Committee which was submitted about 11 years back?

RAO SAHIB DR. N. KUNJAN PILLAI (*Chief Secretary to Government*): Government did not take up the question. That is all I can say at present.

MR. A. S. DAMODARAN ASAN (*Mavelikara*): May I know whether there is any reason for not taking up the question till now?

RAO SAHIB DR. N. KUNJAN PILLAI (*Chief Secretary to Government*): Financial and other considerations probably.

MR. A. S. DAMODARAN ASAN (*Mavelikara*): Does the consideration of the report or the passing of any order on the report entail any financial question?

RAO SAHIB DR. N. KUNJAN PILLAI (*Chief Secretary to Government*): Certainly. If an order is passed to start a University, funds must be provided to carry out the order.

MR. A. S. DAMODARAN ASAN (*Mavelikara*): Have the Government come to the conclusion that the order that is to be passed will necessarily result in any expenditure?

PRESIDENT: Do you prefer an order being passed and kept in the record room?

MR. A. S. DAMODARAN ASAN (*Mavelikara*): Before passing any order, I wanted to know how the Government have come to the conclusion that the order if passed will entail further financial liability on the part of the Government.
